INSURANCE INFORMATION

Please print and provide complete information.

There is no guarantee that your insurance company will pay for all services rendered. Any medical services not covered by an individual's insurance plan are the patient's responsibility and payment in full is due at the time of visit. If we have not received payment within sixty days we will notify you and unpaid balances will become your responsibility, and we will expect payment in full at that time.

It is the patient's responsibility to pay any deductible or any portion of the charges as specified by the plan at the time of visit. It is the patient's responsibility to ensure that any required referrals for treatment are obtained before the visit or the patient may be financially responsible due to lack of the referral at time of service.

We are happy to help with insurance questions relating to how a claim was filed, however, specific coverage issues, can only be addressed by the insurance company's member services department (number is on the insurance card).

Our practice firmly believes that a good doctor/patient relationship is based upon understanding and good communication. Questions about financial arrangements may be directed to the physician's office at any time. Please do not hesitate to contact us. We are here to help you!

PATIENT FINANCIAL RESPONSIBILITY

Recognizing the need for patients to understand what is expected regarding payment of medical services, we have established our financial policy. Some of these items are required by law. It is our goal to remain sensitive to our patients' needs while providing quality medical care, and we encourage you to contact our office if a problem should arise regarding your account.

1. **All co-pays and co-insurance required by your insurance company must be paid at the time services are rendered.** We accept cash, checks, and Visa, MasterCard, Discover and American Express cards. There is a $25.00 service charge on all returned checks. After receiving a returned check, Cornea Consultants of Texas will only accept cash, money order, or credit card.

2. **It is the patient's responsibility to be aware of the contract benefits of his/her insurance carrier or any co-payment or deductible obligation.** If your insurance requires referrals for full benefits to be paid, it is your responsibility to verify that the referrals are in place prior to your visit.

3. **Our facility will file both primary and secondary insurance claims for medical services rendered.** Claims for a third insurance contract will not be filed unless required by our contract with the carrier. We cannot file claims correctly without accurate information from you. Proof of insurance must be presented at each visit.

4. **If you do not have insurance,** payment in full is expected at the time of service unless financial arrangements have been made in advance with our billing department.

5. **You will receive a statement from our office within 45 days of your insurance company's response.** If you are dissatisfied with their payment, please contact your insurance carrier. Payment of the patient's portion of the balance is due upon receipt of the statement.

6. **We are participating providers for Medicare.** This means that we must accept Medicare's allowed charge for the services rendered. Medicare will pay 80% of the approved amount. The patient is responsible for the remaining 20%, plus any out-of-pocket deductible. We will write off the difference between what we charge and what Medicare approves. If you have secondary insurance, we will submit the claim for the remaining balance after Medicare has paid. Please remember that although we accept assignment for Medicare, the patient, by federal law, is responsible for any portion of the approved amount not paid by Medicare or a secondary insurance company.

7. **Responsibility for payment for services rendered to the child/children of divorced or separated parents** rests with the parent who seeks treatment. Any court ordered judgment must be between the individuals involved, without including our facility.

8. **In the unlikely event your payment is returned to us unpaid**, we may elect to re-present your payment, either electronically or by paper draft, to your financial institution up to two more times. We may also collect a return processing charge by the same means, in an amount not to exceed that permitted by state law.

It is our hope that you will find this information helpful. If you have questions, please speak with our billing staff at (817) 987-1248.
